CERTIFICATE

No 08 0492 T/ITC

Confirms that the product

Thermal Massager, model NM-55

manufactured by company

NUGA MEDICAL Co., Ltd.

Dongwha Medical Instrument Complex,

#1642-10 Dongwha 3-Ri, Munmak-Eup, Wonju-Si, Gangwon-Do, KOREA

complies to the applicable essential requirements of the Directives 2006/95/EC on electrical safety and 2004/108/EC on electromagnetic compatibility as amended that have been implemented into the following harmonized European standards:

EN 60335-2-32	<i>Household and similar electrical appliances – Safety. Part 2-32: Particular requirements for massage appliances</i>
EN 60335-1	<i>Safety of household and similar electrical appliances – Part 1: General requirements</i>
EN 55014-1	<i>EMC requirements for household appliances, electric tools and similar apparatus – Part 1: Emission</i>
EN 55014-2	<i>EMC requirements – Part 2: Product family standard</i>
EN 61000-3-2	<i>Electromagnetic compatibility – Part 3-2: Limits for harmonic current emissions</i>
EN 61000-3-3	<i>EMC. Part 3-3: Limitation of voltage changes, fluctuations and flicker</i>

Taking into account the intended use, the ITC Products Certification Body has conducted, with successful results, the type-examination of the certified product according to relevant parts of the above mentioned Directives and European standards.

The product description, documents, assessment procedures, and evaluations of the examination are presented in the Final Report No 3130 00078 / 2008 that is enclosed to this Certificate.

This Certificate is issued under the following conditions:

- 1. It applies only to the above referenced models of the product.*
- 2. It does not imply that the Certification Body has performed any surveillance or control of its manufacture.*
- 3. The manufacturer shall assure that all products of the respective models conform to the certified type.*
- 4. The Certificate remains valid until the manufacturing conditions, the harmonized standards or relevant legislation are changed but until the date of expiration at the latest.*
- 5. After fulfilling the relevant EU legislation requirements, the manufacturer shall affix to each product, of the above referenced models, the CE marking according to this example:*

Date of issue: **July 22, 2008**

Date of expiration: **July 31, 2011**
